Sweet crochet friends book pdf free download

Good morning, friends! Today I am sharing with you the sweetest new book of amigurumi, "Friend crochet friends" written by the talent khuc cay! khuc cay just published his first book and you can find available on amazon here. this book has 16 adorable amigurumi drawings that are well explained and written. I peed the hippopotamus and there was never a moment when I was floating or wondering how to do something. everything is established in an easy to understand format and has images step by step to help you along the path. in the front of the book, there are all the point explanations that you will have to do something in the book and useful tips and tricks as well! I think all the drawings in "Sweet crochet Friends" are adorable, but I highlighted just a few below that are my absolute favorites! I love how all animals or dolls have cute dresses or accessories that you can easily customize to your gouts! I would like to have time to do all these cutiees! and do not love only the adorable illustrations that go with every design? Turns out khuc is also a talented artist! There are drawings for each skill set included, so no matter where you are in your skill level, they will be something you can do! Here's the love I've done from his book: pio l'ippopotamo. Isn't he the nicest? It only brought me one day to do and it was so easy and fun! make sure to follow khuc on instagram and facebook and check out its site here. has many other wonderful models besides those of his book! once again, you can buy this book through amazon here! -holly. follow my blog with bloglovin or sign up via email!
